

# The 2020 Virtual World Congress - World Urban Parks

Du 20 au 27 novembre 2020

World Urban Parks is proud to work with the Municipality of Tirana to host the 2020 Virtual World Congress. Tirana has undergone a transformation in its public spaces, parks, and playgrounds. Mayor Erion Veliaj has been putting the health and wellbeing of kids at the forefront of his agenda since coming in to leadership in 2015.

We hope you can join us this November 20th - 27th at the 2020 Virtual World Congress.
